Aerospace Engineering
College of Western Idaho

08/2018 - 05/2019 *Boise*

WORK EXPERIENCE

Software Development Student
Codeworks

08/2021 - Present *Boise*

Achievements/Tasks

- 520+ hours of full-stack development experience
- Created over 15 applications using different blends of Vue.js, Node.js, C#
- Experience utilizing Auth0, MongoDB, and GitHub, MySQL
- Learned and implemented SCRUM methodology in a team of 5 developers over a sprint of 2 weeks; I worked on services and backend database connection. Then some CSS and page formatting for the application.

Warehouse Associate
Amazon

08/2020 - 06/2021 *Ruskin FL*

Achievements/Tasks

- Moved to multiple different positions due to accuracy in counting proficiency.
- Received a 'Golden Ticket' for being the fastest worker during a timed challenge.
- Communicated with a small team, and planned who would cover/replenish depleted warehouse areas.

Warehouse Associate
Disney World

08/2019 - 05/2020 *Four Courners FL*

Achievements/Tasks

- Encourage associates to compete in personal bests, and one on one competitions for productivity.
- Filled in roles from manual to machine labor to cover where work needed to get done, if amount of labor in area wasn't enough.
- Acknowledged by Supervisor for Efficiency, and making sure the warehouse is safe for my associates and myself.

Contact: Carson - 863-608-5139

Cook & Delivery Driver
Pizza Hut

08/2015 - 04/2018 *Boise*

Achievements/Tasks

- Got new employees feeling welcomed to the Hut Family. Encouraging team members with positive re-enforcement.
- Encouraged Team Members to participate in store challenges. Increasing stores testing success rates.
- Gave delightful and swift customer service, when taking orders and delivering to customers.
